## DETAILED ACTION

### *Claim Rejections - 35 USC § 103*

The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.

1. Claims 1-4 are rejected under 35 U.S.C. 103(a) as being unpatentable over Biesiada (US 6111004) in view of Hayashi (JP 08059938A).

This rejection is as set forth in the action dated 2/21/07.

#### Remarks:

Applicant argues unexpected results of the blend of 2- and 3-methyl-1,5-pentanediol in view of Table 1 Exs 1-3, Comp. Ex 1-2 and the affidavit filed 6/21/07. Applicant argues there is no motivation to combine.

Examiner disagrees. Motivation to combine is as set forth before: inclusion of 3-methyl-1,5-pentanediol in the plasticizer of Hayashi is shown to improve the appearance and smoothness of the composition. Motivation is proper and thusly stands. Regarding Applicants proposed unexpected results, the Examiner finds the Examples to be unpersuasive. Applicants have shown composition wherein the plasticizer comprises (1) combinations of 2- and 3-methyl-1,5-pentanediol and (2) the use of only 2-methyl-1,5-pentanediol. Said comparison does not allow the Examiner to judge whether the inclusion of both monomers is truly unexpected because the Examiner has no way of knowing the properties of a plasticizer comprising only 3-methyl-1,5-pentanediol. Thusly it is unclear to the Examiner if the combination of the two monomers merely

results in an averaging of the properties of both 2- and 3-methyl-1,5-pentanediol, as one would expect. The affidavit showing an optimal range of the use of 3-methyl-1,5-pentanediol offers no further clarification as to the properties of a plasticizer comprising only 3-methyl-pentanediol. The rejection thusly stands.

### ***Conclusion***

**THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the mailing date of this final action.
